

01. Community Mobilization Officer (Diploma in Civil Engineering)- 01

The SKS Foundation is going to implement GCF & PKSF Funded ECCCP-Drought project at Tanor Upazilla of Rajshahi District. For implementing the project, SKS Foundation is seeking qualified candidate for the position of the “**Community Mobilization Officer (Diploma in Civil Engineering)**” in its Project Management Unit (PMU) of the ECCCP-Drought project

Key Responsibilities:

- Identify and engage key community members to establish Climate Change Adaptation Groups (CCAGs) in assigned village/area.
- Facilitate monthly meetings of the CCAGs, ensuring active participation and discussion of climate change challenges, adaptation strategies, and project activities.
- Empower the CCAG to play a lead role in community mobilization and decision-making related to project implementation.
- Organize and conduct awareness campaigns and training sessions on climate change impacts, drought mitigation strategies, and sustainable practices.
- Work with the CCAGs to identify beneficiaries and participants for various project activities like rooftop MAR, pond MAR, pond and canal re-excavation works, drought-tolerant crop and fruit cultivation.
- Provide on-site guidance and support to community members during activity implementation.
- Promote adoption of climate-smart practices and sustainable livelihoods within the community.
- Encourage positive behavioral change toward water conservation, responsible waste management, and other adaptation strategies.
- Assist with collecting data on community demographics, livelihoods, climate perceptions, and project impacts.
- Prepare regular reports on community engagement activities, awareness campaigns, and beneficiary selection processes.
- Liaise with the Technical Officer (Engineer), Monitoring Officer and Project Coordinator to ensure efficient data sharing and reporting.
- Perform any other duties assigned by the PC as per instruction from PKSF & IE Management.

Education and Experience:

- Diploma in civil engineering.
- Experience is not mandatory for candidate with Diploma in civil engineering. Demonstrated enthusiasm and eagerness to learn about climate change adaptation, community development, and rural outreach are highly valued.
- Excellent communication, interpersonal, and facilitation skills are essential.

Age Limit: Maximum 30 years

Other Qualifications:

- Experience working with community groups and building local institutions is an asset.
- Fluency in Bangla language and local dialect is essential.

Salary and other admissible benefits.

- Monthly gross salary will be BDT 30,000/- (including all taxes).
- Eid bonus (50% of gross salary) and Nobo Borsho bonus (10% of gross salary) are provided annually.
- Mobile phone bill allowance of BDT 600 per month is provided.
- Travel allowance of BDT 5,000 per month is provided.

Apply Instruction:

Interested Candidates are requested to apply through online to Deputy Director- HR SKS Foundation, College Road, Uttar Horin Singha, Gaibandha-5700. Applications should reach with detailed CV including contact cell-phone number and two referees. Only short listed candidates will be called for interview. Women are especially encouraged to apply.
